## Expected Result

- |   |  |  |  |  |
|---|--|--|--|--|
| <p>1. Form and Page Layout: All input fields and page layout are displayed properly. Dropdowns (e.g., provinces/cities) show complete information.</p> <p>2. Functionality of Confirm Buttons: Selecting confirmation options works correctly.</p> <p>3. Agreement Checkbox: Agreement content is displayed accurately, and the checkbox functions as expected.</p> <p>4. Successful Completion: Information is submitted successfully, and the system redirects to the property system homepage with agent permissions.</p> <p>5. Verify Permissions: Confirm that the system menu and operational permissions for the agent are functioning correctly—this is critical!</p> |  |  |  |  |
